STUDENTS TOGETHER ACHIEVING REVITALIZATION

SPONSORSHIP FORM

Students from the University of Texas San Antonio College of Architecture—in coordination with the City of San Antonio Office of Historic Preservation—will participate in a service project called **S.T.A.R. (Students Together Achieving Revitalization)** to assist homeowners living in the **Dignowity Hill Historic District, March 29-30 and April 5-6, 2014**. The student-volunteers will perform minor repairs and maintenance on qualifying homes. Work may include repairs to windows, siding, and porches as well as general exterior yard maintenance and exterior painting. Students will complete as much work as possible in order to assist the homeowner in rehabilitating their historic home.

In order to make this project successful in teaching students valuable hands-on techniques and assisting homeowners in revitalizing their homes, we rely on the generosity and support of sponsors. Please assist us in making this event possible by becoming a STAR Sponsor today!
